(1) is not designed or redesigned for using rimfire or conventional centerfire fixed ammunition, or

(2) uses rimfire or conventional centerfire fixed ammunition which is no longer manufactured in the United States and which is not readily available in the ordinary channels of commercial trade.

3. Applications.

(a) Applications shall be made and renewed, in the case of a license to carry or possess a pistol or revolver, to the licensing officer in the city or county, as the case may be, where the applicant resides, is principally employed or has his principal place of business as merchant or storekeeper; and, in the case of a license as gunsmith or dealer in firearms, to the licensing officer where such place of business is located. Blank applications shall, except in the city of New York, be approved as to form by the superintendent of state police. An application shall state the full name, date of birth, residence, present occupation of each person or individual signing the same, whether or not he is a citizen of the United States, whether or not he complies with each requirement for eligibility specified in subdivision one of this section and such other facts as may be required to show the good character, competency and integrity of each person or individual signing the application. An application shall be signed and verified by the applicant. Each individual signing an application shall submit one photograph of himself and a duplicate for each required copy of the application. Such photographs shall have been taken within thirty days prior to filing the application. In case of a license as gunsmith or dealer in firearms, the photographs submitted shall be two inches square, and the application shall also state the previous occupation of each individual signing the same and the location of the place of such business, or of the bureau, agency, subagency, office or branch office for which the license is sought, specifying the name of the city, town or village, indicating the street and number and otherwise giving such apt description as to point out reasonably the location thereof. In such case, if the applicant is a firm, partnership or corporation, its name, date and place of formation, and principal place of business shall be stated. For such firm or partnership, the application shall be signed and verified by each individual composing or intending to compose the same, and for such corporation, by each officer thereof.

(b) Application for an exemption under paragraph seven-b of subdivision a of section 265.20 of this chapter. Each applicant desiring to obtain the exemption set forth in paragraph seven-b of subdivision a of section 265.20 of this chapter shall make such request in writing of the licensing officer with whom his application for a license is filed, at the time of filing such applica-

tion. Such request shall include a signed and verified statement by the person authorized to instruct and supervise the applicant, that has met with the applicant and that he has determined that, in his judgment, said applicant does not appear to be or poses a threat to be, a danger to himself or to others. He shall include a copy of his certificate as an instructor in small arms, if he is required to be certified, and state his address and telephone number. He shall specify the exact location by name, address and telephone number where such instruction will take place. Such licensing officer shall, no later than ten business days after such filing, request the duly constituted police authorities of the locality where such application is made to investigate and ascertain any previous criminal record of the applicant pursuant to subdivision four of this section. Upon completion of this investigation, the police authority shall report the results to the licensing officer without unnecessary delay. The licensing officer shall no later than ten business days after the receipt of such investigation, determine if the applicant has been previously denied a license, been convicted of a felony, or been convicted of a serious offense, and either approve or disapprove the applicant for exemption purposes based upon such determinations. If the applicant is approved for the exemption, the licensing officer shall notify the appropriate duly constituted police authorities and the applicant. Such exemption shall terminate if the application for the license is denied, or at any earlier time based upon any information obtained by the licensing officer or the appropriate police authorities which would cause the license to be denied. The applicant and appropriate police authorities shall be notified of any such terminations.

4. Investigation. Before a license is issued or renewed, there shall be an investigation of all statements required in the application by the duly constituted police authorities of the locality where such application is made. For that purpose, the records of the appropriate office of the department of mental hygiene concerning previous or present mental illness of the applicant shall be available for inspection by the investigating officer of the police authority. In order to ascertain any previous criminal record, the investigating officer shall take the fingerprints and physical descriptive data in quadruplicate of each individual by whom the application is signed and verified. Two copies of such fingerprints shall be taken on standard fingerprint cards eight inches square, and one copy may be taken on a card supplied for that purpose by the federal bureau of investigation; provided, however, that in the case of a corporate applicant that has already been issued a dealer in firearms license and seeks to operate a firearm dealership at a second or subsequent location, the original fingerprints on file may be used to ascertain any criminal record in the second or subsequent application unless any of the corporate officers have changed since the prior application, in which case the new corporate officer shall comply with procedures governing an initial application for such license. When completed, one standard card shall be forwarded to and retained by the division of criminal justice services in the executive department, at Albany. A search of the files of such division and written notification of the results of the search to the investigating officer shall be made without unnecessary delay. Thereafter, such division shall notify the

licensing officer and the executive department, division of state police, Albany, of any criminal record of the applicant filed therein subsequent to the search of its files. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the investigating police authority. The failure or refusal of the federal bureau of investigation to make the fingerprint check provided for in this section shall not constitute the sole basis for refusal to issue a permit pursuant to the provisions of this section. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the license, and the other remain on file with the investigating police authority. No such fingerprints may be inspected by any person other than a peace officer, who is acting pursuant to his special duties, or a police officer, except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. Upon completion of the investigation, the police authority shall report the results to the licensing officer without unnecessary delay.

4-a. Processing of license applications. Applications for licenses shall be accepted for processing by the licensing officer at the time of presentment. Except upon written notice to the applicant specifically stating the reasons for any delay, in each case the licensing officer shall act upon any application for a license pursuant to this section within six months of the date of presentment of such an application to the appropriate authority. Such delay may only be for good cause and with respect to the applicant. In acting upon an application, the licensing officer shall either deny the application for reasons specifically and concisely stated in writing or grant the application and issue the license applied for.

4-b. Westchester county firearms safety course certificate. In the county of Westchester, at the time of application, the licensing officer to which the license application is made shall provide a copy of the safety course booklet to each license applicant. Before such license is issued, such licensing officer shall require that the applicant submit a certificate of successful completion of a firearms safety course and test issued in his or her name and endorsed and affirmed under the penalties of perjury by a duly authorized instructor.

5. Filing of approved applications. The application for any license, if granted, shall be filed by the licensing officer with the clerk of the county of issuance, except that in the city of New York and, in the counties of Nassau and Suffolk, the licensing officer shall designate the place of filing in the appropriate division, bureau or unit of the police department thereof, and in the county of Suffolk the county clerk is hereby authorized to transfer all records or applications relating to firearms to the licensing authority of that county. The name and address of any person to whom an application for any license has been granted shall be a public record. Upon application by a licensee who has changed his place of residence such records or applications shall be transferred to the appropriate officer at the licensee's new place of residence. A duplicate copy of such application shall be filed by the licensing officer in the executive department, division of state police, Albany, within ten days after issuance of the

license. Nothing in this subdivision shall be construed to change the expiration date or term of such licenses if otherwise provided for in law.

6. License: validity. Any license issued pursuant to this section shall be valid notwithstanding the provisions of any local law or ordinance. No license shall be transferable to any other person or premises. A license to carry or possess a pistol or revolver, not otherwise limited as to place or time of possession shall be effective throughout the state, except that the same shall not be valid within the city of New York unless a special permit granting validity is issued by the police commissioner of that city. Such license to carry or possess shall be valid within the city of New York in the absence of a permit issued by the police commissioner of that city, provided that (a) the firearms covered by such license have been purchased from a licensed dealer within the city of New York and are being transported out of said city forthwith and immediately from said dealer by the licensee in a locked container during a continuous and uninterrupted trip; or provided that (b) the firearms covered by such license are being transported by the licensee in a locked container and the trip through the city of New York is continuous and uninterrupted; or provided that (c) the firearms covered by such license are carried by armored car security guards transporting money or other valuables, in, to, or from motor vehicles commonly known as armored cars, during the course of their employment; or provided that (d) the licensee is a retired police officer as police officer is defined pursuant to subdivision thirty-four of section 1.20 of the criminal procedure law or a retired federal law enforcement officer, as defined in section 2.15 of the criminal procedure law, who has been issued a license by an authorized licensing officer as defined in subdivision ten of section 265.00 of this chapter; provided, further, however, that if such license was not issued in the city of New York it must be marked "Retired Police Officer" or "Retired Federal Law Enforcement Officer", as the case may be, and, in the case of a retired officer the license shall be deemed to permit only police or federal law enforcement regulations weapons; or provided that (e) the licensee is a peace officer described in subdivision four of section 2.10 of the criminal procedure law and the license, if issued by other than the city of New York, is marked "New York State Tax Department Peace Officer" and in such case the exemption shall apply only to the firearm issued to such licensee by the department of taxation and finance. A license as gunsmith or dealer in firearms shall not be valid outside the city or county, as the case may be, where issued.

7. License: form. Any license issued pursuant to this section shall, except in the city of New York, be approved as to form by the superintendent of state police. A license to carry or possess a pistol or revolver shall have attached the licensee's photograph, and a coupon which shall be removed and retained by any person disposing of a firearm to the licensee. Such license shall specify the weapon covered by caliber, make, model, manufacturer's name and serial number, or if none, by any other distinguishing number or identification mark, and shall indicate whether issued to carry on the person or possess on the premises, and if on the premises shall also specify the place where the licensee shall possess the same. If such license is issued to an alien, or to a person not a citizen of and usually a resident in the state, the licensing offi-

cer shall state in the license the particular reason for the issuance and the names of the persons certifying to the good character of the applicant. Any license as gunsmith or dealer in firearms shall mention and describe the premises for which it is issued and shall be valid only for such premises.

8. License: exhibition and display. Every licensee while carrying a pistol or revolver shall have on his or her person a license to carry the same. Every person licensed to possess a pistol or revolver on particular premises shall have the license for the same on such premises. Upon demand, the license shall be exhibited for inspection to any peace officer, who is acting pursuant to his or her special duties, or police officer. A license as gunsmith or dealer in firearms shall be prominently displayed on the licensed premises. A gunsmith or dealer of firearms may conduct business temporarily at a location other than the location specified on the license if such temporary location is the location for a gun show or event sponsored by any national, state, or local organization, or any affiliate of any such organization devoted to the collection, competitive use or other sporting use of firearms. Any sale or transfer at a gun show must also comply with the provisions of article thirty-nine-DD of the general business law. Records of receipt and disposition of firearms transactions conducted at such temporary location shall include the location of the sale or other disposition and shall be entered in the permanent records of the gunsmith or dealer of firearms and retained on the location specified on the license. Nothing in this section shall authorize any licensee to conduct business from any motorized or towed vehicle. A separate fee shall not be required of a licensee with respect to business conducted under this subdivision. Any inspection or examination of inventory or records under this section at such temporary location shall be limited to inventory consisting of, or records related to, firearms held or disposed at such temporary locations. Failure of any licensee to so exhibit or display his or her license, as the case may be, shall be presumptive evidence that he or she is not duly licensed.

9. License: amendment. Elsewhere than in the city of New York, a person licensed to carry or possess a pistol or revolver may apply at any time to his licensing officer for amendment of his license to include one or more such weapons or to cancel weapons held under license. If granted, a record of the amendment describing the weapons involved shall be filed by the licensing officer in the executive department, division of state police, Albany. Notification of any change of residence shall be made in writing by any licensee within ten days after such change occurs, and a record of such change shall be inscribed by such licensee on the reverse side of his license. Elsewhere than in the city of New York, and in the counties of Nassau and Suffolk, such notification shall be made to the executive department, division of state police, Albany, and in the city of New York to the police commissioner of that city, and in the county of Nassau to the police commissioner of that county, and in the county of Suffolk to the licensing officer of that county, who shall, within ten days after such notification shall be received by him, give notice in writing of such change to the executive department, division of state police, at Albany.

10. License: expiration, certification and renewal. Any license for gunsmith or dealer in firearms and, in the city of New York, any license to carry or possess a pistol or revolver, is-

In the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not limited to expire on an earlier date fixed in the license, shall expire not more than five years after the date of issuance; however, in the county of Westchester, any such license shall be certified prior to the first day of April, two thousand, in accordance with a schedule to be contained in regulations promulgated by the commissioner of the division of criminal justice services, and every such license shall be recertified every five years thereafter. For purposes of this section certification shall mean that the licensee shall provide to the licensing officer the following information only: current name, date of birth, current address, and the make, model, caliber and serial number of all firearms currently possessed. Such certification information shall be filed by the licensing officer in the same manner as an amendment. Elsewhere than in the city of New York and the counties of Nassau, Suffolk and Westchester, any license to carry or possess a pistol or revolver, issued at any time pursuant to this section or prior to the first day of July, nineteen hundred sixty-three and not previously revoked or cancelled, shall be in force and effect until revoked as herein provided. Any license not previously cancelled or revoked shall remain in full force and effect for thirty days beyond the stated expiration date on such license. Any application to renew a license that has not previously expired, been revoked or cancelled shall thereby extend the term of the license until disposition of the application by the licensing officer. In the case of a license for gunsmith or dealer in firearms, in counties having a population of less than two hundred thousand inhabitants, photographs and fingerprints shall be submitted on original applications and upon renewal thereafter only at six year intervals. Upon satisfactory proof that a currently valid original license has been despoiled, lost or otherwise removed from the possession of the licensee and upon application containing an additional photograph of the licensee, the licensing officer shall issue a duplicate license.

11. License: revocation and suspension. The conviction of a licensee anywhere of a felony or serious offense shall operate as a revocation of the license. A license may be revoked or suspended as provided for in section 530.14 of the criminal procedure law or section eight hundred forty-two-a of the family court act. A license may be revoked and cancelled at any time in the city of New York, and in the counties of Nassau and Suffolk, by the licensing officer, and elsewhere than in the city of New York by any judge or justice of a court of record. The official revoking a license shall give written notice thereof without unnecessary delay to the executive department, division of state police, Albany, and shall also notify immediately the duly constituted police authorities of the locality.

12. Records required of gunsmiths and dealers in firearms. Any person licensed as gunsmith or dealer in firearms shall keep a record book approved as to form, except in the city of New York, by the superintendent of state police. date, name, age, occupation and residence of any person from whom a firearm is received or to whom a firearm is delivered, and the caliber, make, model, manufacturer's name and serial number, or if none, any other distinguishing number or identification mark on such firearm. Before delivering a firearm to any person, the licensee shall require him to produce either a license valid under this section to carry or possess the same, or proof of lawful authority as an exempt person pursuant to section 265.20. In addition, before delivering a firearm to a peace officer, the licensee shall verify that person's status as a peace officer with the division of state police. After completing the foregoing, the licensee shall remove and retain the attached coupon and enter in the record book the date of such license, number, if any, and name of the licensing officer, in the case of the holder of a license to carry or possess, or the shield or other number, if any, assignment and department, unit or agency, in the case of an exempt person. The original transaction report shall be forwarded to the division of state police within ten days of delivering a firearm to any person, and a duplicate copy shall be kept by the licensee. The record book shall be maintained on the premises mentioned and described in the license and shall be open at all reasonable hours for inspection by any peace officer, acting pursuant to his special duties, or police officer. In the event of cancellation or revocation of the license for gunsmith or dealer in firearms, or discontinuance of business by a licensee, such record book shall be immediately surrendered to the licensing officer in the city of New York, and in the counties of Nassau and Suffolk, and elsewhere in the state to the executive department, division of state police.

12-a. State police regulations applicable to licensed gunsmiths engaged in the business of assembling or manufacturing firearms.

The superintendent of state police is hereby authorized to issue such rules and regulations as he deems reasonably necessary to prevent the manufacture and assembly of unsafe firearms in the state. Such rules and regulations shall establish safety standards in regard to the manufacture and assembly of firearms in the state, including specifications as to materials and parts used, the proper storage and shipment of firearms, and minimum standards of quality control. Chapter 180. Firearms, Arrows and Other Weapons

Article I. Firearms and Arrows

180-1. Firearms, shotguns, rifles and other dangerous weapons.

A. Purpose and intent. The City of Buffalo finds that violent crime is a serious problem in the city and firearms and other dangerous weapons are frequently used in the commission of crimes, particularly homicides and assaults. The possession of such weapons also often leads to accidental deaths and injuries. The possession and use of assault weapons and ammunition-feeding devices for criminal purposes is increasing and poses a serious danger to public safety. The use of weapons by persons under the influence of drugs and/or alcohol can readily lead to serious injury or death. The possession of weapons in public facilities and places also poses a serious danger to public safety. The possession of toy or imitation weapons which substantially duplicate actual weapons poses a danger to the person possessing the weapon and to others. In order to promote and protect the health, safety and welfare of the public, the City of Buffalo finds it necessary to place restrictions upon the possession and use of such weapons. The restrictions imposed by this section are intended to be in addition to restrictions found in state law and are not intended to conflict with state law provisions.

B. Definitions. As used in this section, the following terms shall have the meanings indicated:

Ammunition - Explosives suitable to be fired from a firearm, machine gun, pistol, revolver, rifle, shotgun, assault weapon or other dangerous weapon.

Ammunition-Feeding Device - Magazines, belts, feedstrips, drums or clips capable of being attached to or utilized with any centerfire rifle, shotgun or pistol which employs the force of the expanding gases from a discharging cartridge to chamber a fresh round after each single pull of the trigger which, in the case of a rifle or shotgun, holds in excess of five cartridges, or in the case of a pistol holds in excess of 17 cartridges.

Assault Weapon:

(1) Any centerfire rifle or shotgun which employs the force of the expanding gases from a discharging cartridge to chamber a fresh round after each single pull of the trigger, and which is loaded or capable of being loaded with a combination of more than six cartridges in the ammunition-feeding device and chamber combined. For the purposes of this section, a weapon is capable of being loaded if it is possessed by one who, at the same time, possesses:

(a) In the case of a rifle, a fixed or detachable ammunition feeding device which is attached to or utilized with or capable of being attached to or utilized with such rifle and which has a capacity of more than five cartridges; or

(b) In the case of a shotgun, an ammunition-feeding device which is attached to or utilized with or capable of being attached to or utilized with such shotgun and which has a capacity of more than five cartridges.

(2) A center-fire rifle or shotgun which employs the force of expanding gases from a discharging cartridge to chamber a fresh round after each single pull of the trigger, and which has:

(a) A flash suppressor attached to the weapon reducing muzzle flash;

(b) A grenade launcher;

For purposes of this definition, the length of a barrel on a shotgun or rifle shall be determined by measuring the distance between the muzzle and the face of the bolt, breech or breechlock when closed and when the shotgun or rifle is cocked; the overall length of a weapon made from a shotgun or rifle is the distance between the extreme ends of the weapon measured along a line parallel to the center line of the bore. Such definition, except as otherwise indicated, shall include both loaded and unloaded firearms, except that it shall not include any antique firearm as defined in federal or New York State law or any curio or relic as defined under United States law which is possessed by a licensed collector in accordance with United States law.

Possess - Have physical possession or otherwise to exercise dominion or control over. An application shall be signed and affirmed by the applicant. Each individual signing an application shall submit one photograph of himself or herself and a duplicate for each required copy of the application. Such photographs shall have been taken within thirty days prior to filing the application. The photographs submitted shall be two inches square, and the application shall also state the previous occupation of each individual signing the same and the location of the place of such business, or of the bureau, agency, subagency, office or branch office for which the license is sought, indicating the street and number and otherwise giving such apt description as to point out reasonably the location thereof. For a partnership, the application shall be signed and affirmed by each partner, and for a corporation, by each officer thereof. When completed, one standard card shall be promptly submitted to the division of criminal justice services where it shall be appropriately processed. A second standard card, or the one supplied by the federal bureau of investigation, as the case may be, shall be forwarded to that bureau at Washington with a request that the files of the bureau be searched and notification of the results of the search be made to the police department. The failure or refusal of the federal bureau of investigation to make the fingerprint check provided for in this section shall not constitute the sole basis for refusal to issue a license pursuant to the provisions of this section. Of the remaining two fingerprint cards, one shall be filed with the executive department, division of state police, Albany, within ten days after issuance of the license, and the other remain on file with the police department. No such fingerprints may be inspected by any person other than a peace officer, when acting pursuant to his or her special duties, or a police officer except on order of a judge or justice of a court of record either upon notice to the licensee or without notice, as the judge or justice may deem appropriate. j. Any license or renewal issued pursuant to this section shall expire on the first day of the second January following the date of issuance. Any application to renew a license that has not previously expired, been revoked or cancelled shall thereby extend the term of the license until disposition is made of the application by the police commissioner.

k. The conviction of a licensee anywhere of a felony or a serious offense shall operate as a revocation of the license. Written notice of such revocation shall be forwarded to the executive division of state police in Albany.

l. The police commissioner, upon evidence of any disqualification set forth in subdivision b of this section, may at any time suspend or revoke and cancel a license issued pursuant to this section. Written notice of such suspension or revocation shall be forwarded to the executive department, division of state police, Albany.

m. No license shall be issued pursuant to this section unless the applicant therefor possesses

and exhibits all licenses required under any federal or state law.

Such records shall be maintained on the premises mentioned and described in the license, and preserved for record. In the event of suspension, cancellation or revocation of a license, or discontinuance of business by a licensee, such record shall be immediately surrendered to the police commissioner.

The foregoing enumeration shall not be construed as a limitation of the police commissioner's authority to promulgate rules and regulations hereunder.

(3) The violation of such rules and regulations shall be triable by a judge of the criminal court of the city of New York and punishable by not more than thirty days imprisonment or by a fine of not more than fifty dollars, or both.

p. The annual license fee for a license issued pursuant to this section shall be twenty-five dollars for gunsmiths, wholesale manufacturers and assemblers of firearms, fifty dollars for dealers in firearms, and one hundred fifty dollars for dealers in rifles and shotguns and special theatrical dealers.

q. Failure to obtain a license, by any person, firm, partnership, corporation or company, as required by the provisions of this section shall be punishable as a class A misdemeanor.

r. No dealer in rifles and shotguns may dispose of a rifle or shotgun to any person unless such person produces a valid rifle and shotgun permit, or proof of lawful authority as a police or peace officer, or is an exempt person as provided in this chapter.

s. Any suspension, denial or revocation of a license may be appealed by the applicant or licensee pursuant to procedures established by the police commissioner for administrative review.

(1) Upon completion of the investigation, and in no event later than thirty days from the submission of the application, unless the police commissioner determines more time is needed for an investigation and then it shall not exceed sixty days, the commissioner shall issue the permit or shall notify the applicant of the denial of the application and the reason or reasons therefor. The applicant shall have the right to appeal said denial pursuant to procedures established by the police commissioner for administrative review.

(2) Any person holding a valid license to carry a concealed weapon in accordance with the provisions of the penal law, shall be issued such permit upon filing an application and upon paying the established fee therefor, without the necessity of any further investigation, affidavits or fingerprinting, unless the police commissioner has reason to believe that the status of the applicant has changed since the issuance of the prior license.

f. Validity. Any person to whom a rifle and shotgun permit has been validly issued pursuant to this chapter may possess a rifle or shotgun. No permit shall be transferred to any other person. Every person carrying a rifle or shotgun shall have on his or her person a permit which shall be exhibited for inspection to any peace officer or police officer upon demand. Failure of any such person to so exhibit his or her permit shall be presumptive evidence that he or she is not duly authorized to possess a rifle or shotgun and the same may be considered by the police commissioner as cause for revocation or suspension of such permit. A permit shall be valid for three (3) years and shall be subject to automatic renewal, upon sworn application, and without investigation, unless the police commissioner has reason to believe that the status of the applicant has changed since the previous application.

g. Revocation or suspension. A permit shall be revoked upon the conviction in this state, or elsewhere, of a person holding a rifle or shotgun permit, of a felony or a serious offense. A permit may be revoked or suspended at any time upon evidence of any other disqualification set forth in subdivision a of this section. Upon revocation or suspension of a permit for any reason, the police commissioner shall immediately notify the New York state division of criminal justice services. The police commissioner shall from time to time send a notice and supplemental report hereof, containing the names, addresses and permit numbers of each person whose rifle and shotgun permit has been revoked or suspended to all licensed dealers in rifles and shotguns throughout the city for the purpose of notifying such dealers that no rifles or shotguns may be

issued or sold or in any way disposed of to any such persons. The police commissioner or any police officer acting at the police commissioner's direction shall forthwith seize any rifle and shotgun permit which has been revoked or suspended hereunder and shall seize any rifle or shotgun possessed by such person, provided that the person whose rifle or shotgun permit has been revoked or suspended, or such person's appointee or legal representative, shall have the right at any time up to one year after such seizure to dispose of such rifle or shotgun to any licensed dealer or any other person legally permitted to purchase or take possession of such rifle or shotgun. The permittee shall have the right to appeal any suspension or revocation pursuant to procedures established by the commissioner for administrative review.

b. Criminal penalty. Any person who shall violate subdivision a of this section shall be guilty of an unclassified misdemeanor punishable by a fine of not more than five thousand dollars or by imprisonment of up to one year, or by both fine and imprisonment, for each assault weapon disposed of or possessed, provided that the first violation of subdivision a of this section involving possession of an assault weapon as defined in paragraph c of subdivision 16 of section 10-301 shall be an offense punishable by a fine of not more than three hundred dollars or imprisonment of not more than fifteen days, or both, on condition that (1) such first violation is not in conjunction with the commission of a crime and (2) the possessor has not been previously convicted of a felony or a serious offense.

c. Civil penalty. In addition to the penalties prescribed in subdivision b of this section, any person who shall violate subdivision a of this section shall be liable for a civil penalty of not more than twenty-five thousand dollars for each assault weapon disposed of or possessed, to be recovered in a civil action brought by the corporation counsel in the name of the city in any court of competent jurisdiction, provided that the first violation by any person of subdivision a of this section involving possession of an assault weapon as defined in paragraph c of subdivision sixteen of section 10-301 shall subject such person to a civil penalty of not more than five thousand dollars on condition that (1) such first violation is not in conjunction with the commission of a crime and (2) the possessor has not been previously convicted of a felony or a serious offense.

d. Disposition of assault weapons by permittees, licensees and previously exempt persons. Any person who, on or after the effective date of this local law, shall possess an assault weapon and a valid permit for possession and purchase of rifles and shotguns and a certificate of registration for such assault weapon, and any licensed dealer in firearms or licensed

dealer in rifles and shotguns who is not licensed as a special theatrical dealer and who, on or after the effective date of this local law, shall possess an assault weapon, and any police officer or peace officer who, before the effective date of this law was exempt from the sections of the administrative code requiring rifle and shotgun permits and certificates, and who, upon the effective date of this local law, is not exempt from the sections of the administrative code prohibiting the possession or disposition of assault weapons, and who, on or after the effective date of this local law, shall possess an assault weapon, shall, within ninety days of the effective date of rules promulgated by the commissioner pursuant to subparagraph 7 of paragraph a of subdivision 16 of section 10-301, either:

All assault weapons possessed by such permittees, licensees and previously exempt persons shall be subject to the provisions of this subdivision, whether defined as assault weapons in subdivision 16 of section 10-301 or in rules promulgated by the commissioner pursuant to subparagraph 7 of paragraph a of subdivision 16 of section 10-301.

e. Disposition of assault weapons by non-permittees. Any person who, on or after the effective date of this local law, shall possess an assault weapon and who is not the holder of a valid permit for possession and purchase of rifles and shotguns and a certificate of registration for such assault weapon, shall peaceably surrender his or her assault weapon pursuant to subdivision f of section 10-305 for the purpose of destruction of such weapon by the commissioner, provided that the commissioner may authorize the use of such weapon by the department, and provided further that heirs and legatees may dispose of assault weapons pursuant to subdivision f of this section.

f. Disposition of assault weapons by heirs and legatees. Any person who acquires an assault weapon on or after the effective date of this local law by the laws of intestacy or by testamentary bequest shall, within ninety days of such acquisition, either: (1) peaceably surrender such assault weapon pursuant to subdivision f of section 10-305 for the purpose of destruction of such weapon by the commissioner, provided that the commissioner may authorize the use of such weapon by the department; or (2) lawfully remove such assault weapon from the city of New York.

Failure by the commissioner to send, or the permittee to receive, such notice, shall not excuse such permit-

tee for unlawful possession or disposition of such weapons.

h. Surrender of firearms. At the discretion of the police commissioner, any person convicted of violating this section may be subject to immediate surrender of all firearms in his or her possession.

10-303.2 Civil penalty; firearms dealers and manufacturers.

Such liability also includes the possible imposition of punitive damages. Liability under this section does not extend to any manufacturer or dealer that has complied with the following standards during a period of one year immediately preceding and including the transfer of such firearm:

(1) The manufacturer or dealer executes no transfers or agreements to transfer at gun shows except for gun shows that maintain a practice of performing instant criminal background checks consistent with 18 U.S.C. § 922(t), as such subsection may be amended from time to time and any successor provision thereto, on all transfers, whether by licensed or an unlicensed sellers.

(2) Any place of business operated by the manufacturer or dealer is located at a fixed address where:

(6) The manufacturer or dealer has not transferred a firearm to any other manufacturer or dealer in circumstances in which the manufacturer or dealer transferring such firearm knew or should have known that such manufacturer or dealer had not complied with the standards set forth in this subdivision.

c. Exceptions.

(1) No action may be commenced pursuant to this section by any person injured or killed by the discharge of a firearm that is lawfully possessed by a law enforcement official employed by a public agency.

(2) This section shall not limit in scope any cause of action, other than that provided by this section, available to a person injured by or killed by a firearm.

(3) Nothing in this section shall prevent a manufacturer or dealer from seeking whole or partial indemnity or contribution for any liability incurred under this section from any third party wholly or partially responsible for the injury or death.

(4) Notwithstanding the provisions of subdivision b, there shall be no basis for liability under this section if the manufacturer or dealer proves by a preponderance of the evidence that: (i) the person injured or killed by the discharge of a firearm was committing or attempting to commit a crime (whether or not such crime is actually charged); (ii) the unlawful transfer or possession of the firearm is solely a result of the failure of the owner of the firearm to renew a license, permit or registration within six months of the date such renewal is required; or (iii) prior to the injury or death caused by the firearm, a lawful possessor of the firearm has reported its theft to a federal, state or local law enforcement agency, or reported its loss to an appropriate public agency.

(6) Notwithstanding the provisions of subdivision b, there shall be no basis for liability under this section if the manufacturer or dealer proves by a preponderance of the evidence that the injury or death is not directly or indirectly related to any act or omission by such manufacturer or dealer, including but not limited to any failure by the manufacturer or dealer to comply with the standards set forth in subdivision b of this section.

10-304. Certificates of registration.

a. It shall be unlawful for any person to have in his or her possession any rifle or shotgun unless said person is the holder of a certificate of registration for such rifle or shotgun.

b. It shall be unlawful for any person who is not a licensed dealer to dispose of any rifle or shotgun for which such person does not have a certificate of registration unless such person files with the police commissioner a declaration in duplicate, signed and affirmed by the declarant which shall list by caliber, make, model, manufacturer's name and serial number, or if none, any other distinguishing number or identification mark, of each rifle and shotgun possessed by the declarant. Upon receipt of acknowledgement of said declaration by the police commissioner, the declarant may lawfully sell, transfer, or otherwise dispose of such rifles or shotguns to a licensed dealer or any other person legally permitted to purchase or take possession of such rifles or shotguns.

Any willful or material omission or false statement shall be a violation of this section.

c. Exhibition of certificate. Every person carrying a rifle or shotgun shall have on his or her person a certificate of registration valid for such weapon. Upon demand, the appropriate certificate shall be exhibited for inspection to any peace officer or police officer. Failure of any person to so exhibit his or her certificate shall be presumptive evidence that he or she is not duly authorized to possess such rifle or shotgun and may be considered by the police commissioner as cause for revocation or suspension of such person's permit.

d. Revocation. The revocation of a rifle or shotgun permit shall automatically be deemed to be a revocation of all certificates of registration for rifles and shotguns held by the person whose permit has been revoked.

e. Disposition of rifles and shotguns. No person lawfully in possession of a rifle or shotgun shall dispose of same except to a licensed dealer in firearms, licensed dealer in rifles and shotguns, the holder of a valid rifle and shotgun permit, an exempt person as enumerated in this chapter, or a non-resident of the city of New York not subject to the permit requirements of this chapter.

Any person so disposing of a rifle or shotgun shall report the disposition on forms provided by the commissioner setting forth the rifle and shotgun permit number of both seller and purchaser, the make, caliber, type, model and serial number, if any, and if the seller is a licensed dealer the certificate of registration number, of all such rifles and shotguns. Such form shall be signed by both seller and purchaser and the original shall be forwarded to the police commissioner within 72 hours of the disposition, one copy shall be retained by the seller, another by the purchaser.

1. If the seller is a licensed dealer, he or she shall at the time of the sale issue a certificate of registration to the purchaser provided to the dealer for that purpose by the police commissioner and shall forward to the police commissioner the duplicate thereof, together with the report of disposition.

2. If the seller is not a licensed dealer, the police commissioner shall, if the purchaser's rifle permit is valid, issue the certificate of registration within ten days of the receipt by the police commissioner of the report of disposition. Pending receipt of the certificate, but in no event for any longer than fourteen days from the date of purchase, the copy of the report of disposition shall serve in lieu of the purchaser's certificate of registration.

f. No fee shall be charged for a certificate of registration.

g. Notwithstanding any other provision of this section concerning the transfer, receipt, acquisition, or any other disposition of a rifle or shotgun, a rifle and shotgun permit shall not be required for the passing of a rifle or shotgun upon the death of an owner, to his or her heir or legatee, whether the same be by testamentary bequest or by the laws of intestacy, except that the person who shall so receive or acquire said rifle or shotgun shall be subject to all other provisions of this chapter, provided further that if the heir or legatee of the owner of such rifle or shotgun does not qualify to possess same under this chapter, the rifle or shotgun may be possessed by the heir or legatee for the purpose of sale as otherwise provided herein for a period not exceeding one hundred eighty days or for such further limited period beyond the one hundred eighty days as may be approved by the commissioner, said extensions in no event to exceed a total of ninety days.

A. Purpose and intent. The Council finds that it is necessary to regulate the commercial storage, possession and display of firearms, ammunition or explosives pursuant to § 139-d of the General Municipal Law in order to provide for the public health, safety and welfare of all persons in the City of Rochester. The Council finds that the location of such activities close to residential uses is not compatible with residential uses and can pose a danger to residents through fire or explosion or as a result of burglaries at such locations. The Council therefore intends to regulate the location of such activities and to place additional regulations upon those activities in order to assure that such activities are conducted in a safe manner. The restrictions found herein shall be in addition to restrictions found Chapter 120 of the Municipal Code, Zoning Code, and whichever regulations are more restrictive shall be applicable to any potential location where such activities are to be conducted.

B. Location. The storage, possession or display of firearms, ammunition or explosives within a building occupied by a residential use, or within a building located within one hundred (100) feet of any residential use, which distance shall be measured from the closest point of the building, or portion thereof, used for the storage, possession or display of firearms, ammunition or explosives to the nearest point of the lot line of the property with a residential use, is hereby prohibited.

C. Standards of design, construction and maintenance of buildings and structures in which firearms, ammunition or explosives are stored. ...

D. Visibility of interior to be maintained at all times. The interior of any building or structure used for the storage, possession and display of firearms, ammunition or explosives shall be visible through any windows at all times when open for business, and no drapes or blinds should be used that would block the view of police or passersby who might observe unusual activity within the premises. The exterior of the premises shall be illuminated at night and during the hours when business is not conducted within.

E. Combustible materials. Combustible materials shall not be stored in any building or structure or that portion thereof used for the storage, possession and display of firearms, ammunition or explosives.

(d) Trigger locks which disable firearms and prevent them from functioning must be locked to each firearm at all times, or the firearms must be secured in a locked case or be otherwise locked, or the firearms must be dispensed in an area behind the counter that is not accessible to the public. I. The regulations provided for herein shall not apply to the personal possession, use or ownership of firearms or ammunition therefor.

47-5. Firearms, shotguns, rifles and other dangerous weapons.

A. Purpose and intent. The Council finds that violent crime is a serious problem in the city and firearms and other dangerous weapons are frequently used in the commission of crimes, particularly homicides and assaults. The possession of such weapons also often leads to accidental deaths and injuries. The possession and use of assault weapons and ammunition feeding devices for criminal purposes is increasing and poses a serious danger to public safety. The use of weapons by persons under the influence of drugs and/or alcohol can readily lead to serious injury or death. The possession of weapons in public facilities and places also poses a serious danger to public safety. The possession of toy or imitation weapons which substantially duplicate actual weapons poses a danger to the person possessing the weapon and to others. In order to promote and protect the health, safety and welfare of the public, the Council finds it necessary to place restrictions upon the possession and use of such weapons. The restrictions im-

posed by this section are intended to be in addition to restrictions found in state law and are not intended to conflict with state law provisions.
